

# CAMP CANBERRA

*Camp Canberra* written by **Kryl Saclier** and illustrated by **Cathy Wilcox** explores the right of passage for primary school students, the Year 5/6 Civics and Citizenship Canberra Camp.

How do Australian children learn about politics, democracy and currency? They go to Canberra: the nation's capital city. Join the students of Mount Mayhem Primary School as they travel from the National Gallery to Questacon, through engaging collage illustrations.

**Curriculum Links:** Literacy, HASS, Visual Arts, Literacy

**Age Range:** Years 5-6

## ACTIVITY: MUSEUM WONDERINGS

**Camp Canberra is a fantastic way to set the scene and prepare students for their visit to Canberra.**

### READ

Before your trip to Canberra, read **Camp Canberra** and notice the places you will be visiting.

### WONDER

Ask students to **consider what wonderings they have** about Canberra and specific museums. Use the activity sheets provided in the supporting materials to record these wonderings.

### RESPOND

Now the **trip is over**, it is **time to reflect** on the initial wonderings and respond to them with the new knowledge students have gained from their trip! Use the activity sheets to write responses next to the wonderings, and **create a postcard** reflecting on the best parts of the trip!

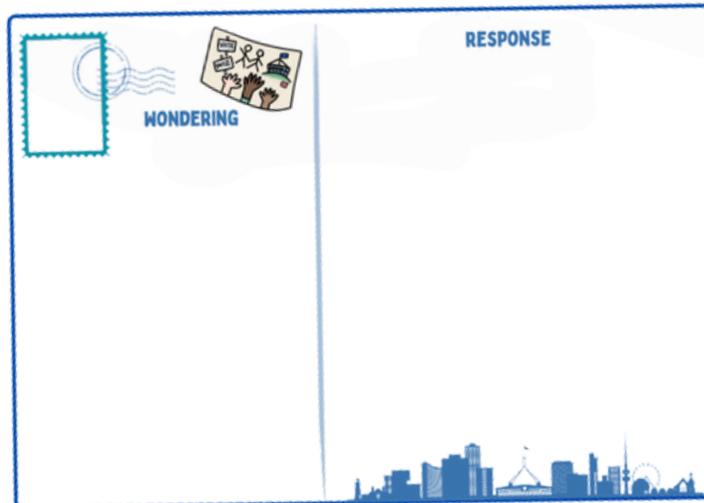

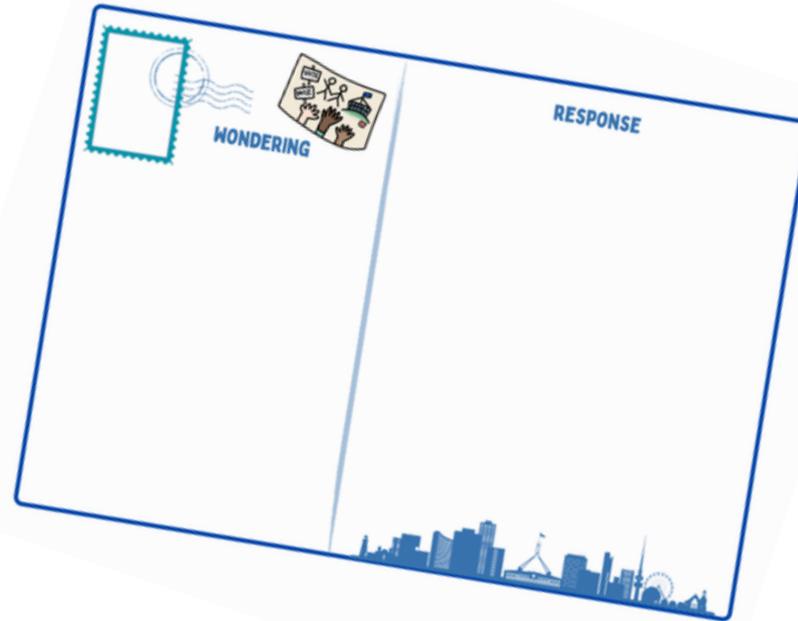

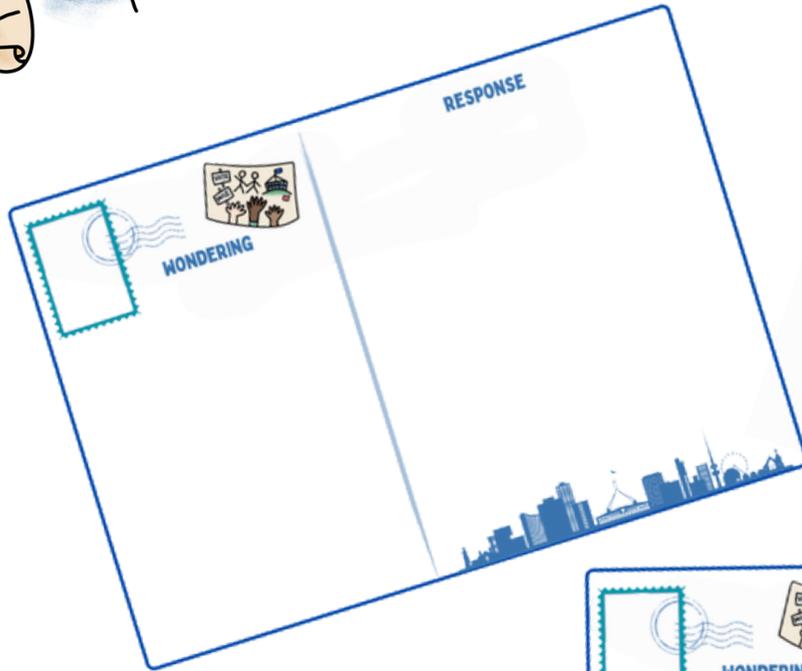

A MoAD classroom-ready resource

# CAMP CANBERRA

In each postcard chose a museum and write down one wondering you have.

Make sure you leave enough space to answer your wonderings once you return home from camp!
